

# RARITAN BAY CHARITY CRUISER RACE SERIES

**RYC and KYC have joined together to offer Raritan Bay Cruisers with an opportunity to:**

**1) Raise money through two local charity sailing events**

Raritan Yacht Club

**2) Enjoy two fun, yet “mildly competitive”, point to point cruiser races and event festivities on land**

**3) Get to know fellow cruisers from our neighboring clubs**

Keyport Yacht Club  
Leukemia Cup Regatta Cruiser Race  
Saturday, June 13th, 2009

**4) Compete in honor of your club to win the bragging rights that come with your club winning the 2009 Raritan Bay Charity Cruisers' Race Series**

## Series Scoring:

Each boat will represent their yacht club. The first 3 boats from each club will contribute to the series club score for each event; low point scoring. 3 boats from each yacht club are required to race each event to qualify for the series; all yacht clubs are invited to compete in the series.

*For example: RYC places 2nd, 3rd & 5th at the first event and places 4th, 5th & 6th at the 2nd event, RYC series score would equal 25 points.*
